

# DOUBLE DUCK, DUCK, GOOSE

## OBJECT OF THE GAME:

Get back to the empty spot first!

## WHAT YOU'LL NEED:

- At least 6 players (3 pairs)
- Large, open playing space

## INSTRUCTIONS:

**Setup:** Divide the group into pairs and ask paired players to link arms. Then, choose a pair to be "it."

**Playing the Game:** The pair who is "it" will tap the other players heads saying "duck" or "goose." When "it" says "goose," they will immediately run in the direction they were travelling, while the "goose" pair runs in the opposite direction. The first pair to sit back in the empty spot gets to stay there, and the other pair is now "it!"
