

# FLAG HUNT

## OBJECT OF THE GAME:

Find all of the flags as fast as you can!

## WHAT YOU'LL NEED:

- Small flags (or make your own with paper and markers!)
- Age appropriate hunting area (backyard, park, neighborhood, etc.)

## INSTRUCTIONS:

**Setup:** Create flags using markers and paper, if desired. Hide the flags throughout your playing space.

**Playing the Game:** On "go," players will race across the playing area trying to find all of the flags as fast as they can! For a twist on the fun, see who can find the most flags; or assign different point values to the hidden flags!
