

# MONSTER FOOTPRINT HOP

## OBJECT OF THE GAME:

Follow along with all of the monster footprints!

## WHAT YOU'LL NEED:

- Construction paper in various colors
- Scissors
- Pencil or Marker
- Masking Tape

## INSTRUCTIONS:

**Setup:** Draw a monster footprint on one piece of construction paper and cut it out. Trace this footprint on other pieces of paper to create pairs and cut them out. Use masking tape to stick each pair of footprints to the ground in different directions, creating a trail.

**Playing the Game:** On "go" players will hop to each pair of monster footprints, trying to match their position. Make it through the whole course with no mistakes as fast as you can!
