

MUSICAL CHAIRS

OBJECT OF THE GAME:

Find a seat when the music stops!

WHAT YOU'LL NEED:

- One less chair than the amount of players
- 1 music player

INSTRUCTIONS:

Setup: Set your chairs up in a circle, with the seats facing outward. Set your music player nearby and select one person to be the music controller for the game. This person will stop and start the game's music.

Playing the Game: Begin the game by playing music. When the music stops, players will rush to sit in a seat. The player who doesn't make it into a seat is out. Repeat the steps above, removing one chair each round. The last player to have a seat, wins!
