

NATURE COLOR HUNT

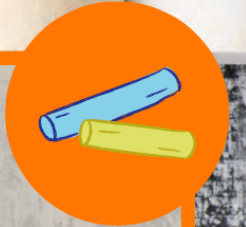

OBJECT OF THE GAME:

Find items in nature that match the colors of the chalk!

WHAT YOU'LL NEED:

- Multiple colors of chalk
- Small paved space
- An outdoor area to search

INSTRUCTIONS:

Setup: Draw different colored squares on your sidewalk or driveway.

Playing the Game: Challenge players to find items in nature that match each color of chalk and place them in the matching square. Once your players are finished searching, invite them to draw the items they've found!

Tip: For more advanced players, try making the prompts more specific (ex: purple flowers, yellow leaves.)
