

PENGUIN RELAY

OBJECT OF THE GAME:

Be the team to finish the race first!

WHAT YOU'LL NEED:

- 2 balls
- 2 oven mitts
- 2 large spoons
- 2 "snowballs" (whiffle balls, dryer balls, styrofoam balls, etc.)

INSTRUCTIONS:

Setup: Split your group into two teams. Have one player from each team place a ball between their knees so they waddle like a penguin. Then, have them put on one oven mitt so they have a penguin wing.

Playing the Game: Players will use a large cooking spoon to carry their snowball across the room and turn around, passing their items on to the next player. The team to complete the race the fastest, wins!
