OBJECT OF THE GAME:

Stomp on the pumpkins to get the most points!

WHAT YOU'LL NEED:

- Orange balloons
- Pieces of paper
- Marker

INSTRUCTIONS:

Setup: Write a point value on each piece of paper. Place small pieces of paper inside the balloons, then blow them up. Lay the balloons across the ground in your play area.

Playing the Game: On "go," players will stomp on the balloons, trying to pop them and retrieve the paper inside. The player with the most points at the end of the game, wins!

Tip: Instead of playing for points, place small prizes inside the balloons!
