

SHAPES BULLSEYE

OBJECT OF THE GAME:

Score the most points by throwing your ball into the bullseye!

WHAT YOU'LL NEED:

- 1 roll of painter's tape
- A few small balls to throw

INSTRUCTIONS:

Setup: Create a bullseye with painter's tape on the floor, using different shapes for each ring (ex: triangle, square, and octagon.) Then, use painter's tape to mark your starting line a few feet from the bullseye. Assign a point value to each shape (triangle = 10 pts, square = 5 pts, octagon = 1 pt.)

Playing the Game: Players will take turns throwing their balls toward the bullseye to earn points. The player with the most points at the end of the game, wins!
