

SIDEWALK CHALK TOWN

OBJECT OF THE GAME:

Cruise through the town on your bike, scooter, or toy car!

WHAT YOU'LL NEED:

- Sidewalk Chalk
- Large paved area
- Wheeled toy (bike, scooter, roller blades, etc.)
- If desired, other items like rocks.

INSTRUCTIONS:

Setup: Using sidewalk chalk, draw a road system. Then, add stops such as a gas station, snack stand, or construction site. If desired, add items to your locations (ex: rocks at the construction site.) Finally, add directions to the roads (ex: stop sign, slow, fast.)

Playing the Game: Players can cruise through the town on their scooters, stopping to play at different locations.

Tip: Make it a scavenger hunt by asking players to find drawn items!
