

SIMON SAYS

OBJECT OF THE GAME:

Follow only "Simon's" instructions!

WHAT YOU'LL NEED:

- At least 3 players
- A space large enough for players to move around/follow instructions

INSTRUCTIONS:

Setup: Designate one player as "Simon." Simon will stand in front of the group, facing them.

Playing the Game: Simon is the leader of the group and will give commands to listeners in two different ways: saying "Simon says..." or simply stating the command. Listeners should only obey instructions starting with "Simon says.." Players who do not correctly follow instructions are eliminated. The last player standing, wins!

Tip: Get players moving by challenging simon to provide big, movement-heavy instructions!
