

# SOCCER TENNIS

## OBJECT OF THE GAME:

Score the most points by the end of the game

## WHAT YOU'LL NEED:

- 1 Soccer ball
- 1 Net (alternative: 2 lawn chairs laying down, pushed together)

## INSTRUCTIONS:

**Setup:** Setup your net and define the boundaries of your playing space. Break players into two teams.

**Playing the Game:** As in tennis, the aim is to get the ball over the net and into the other team's area without them returning it after up to one bounce. Only here, you use a soccer ball and your feet instead of a handheld racquet!
