

**Guaranteed Interview Program
MEMORANDUM OF UNDERSTANDING
OSU Center for Health Sciences –
College of Osteopathic Medicine**

This Memorandum of Understanding (“Agreement”) confirms the Guaranteed Interview (“GI”) Program between Oklahoma State University – Center for Health Sciences (OSU-CHS), College of Osteopathic Medicine, and Cameron University (CU) for the 2024-2025 academic year.

The Guaranteed Interview Program guarantees that CU students who meet specified criteria in this Agreement will be invited for an interview with the Admissions Committee for admission to the OSU-CHS College of Osteopathic Medicine.

OSU-CHS will interview and assess the GI Program applicants on their characteristics, academic preparedness, and other factors based on the same standards as traditional applicants.

To be eligible for the GI Program, applicants must meet the following requirements:

- Be a permanent resident of the United States;
- Achieve a minimum of a 3.5 cumulative Grade Point Average (GPA);
- Score a minimum of 502 on the Medical College Admission Test (MCAT) at the time of application;
- Complete a baccalaureate degree before matriculation to OSU-CHS College of Osteopathic Medicine;
- Submit a complete application for admission through the American Association of Colleges of Osteopathic Medicine Application Services (AACOMAS) by February 28;
- Submit a complete supplemental/secondary application for admission by March 30;
- Meet the academic requirements specified in Attachment 1;
- Complete at least 500 hours in a health-related setting at the time of application; and
- Be a first-time applicant to the Guaranteed Interview Program.

Students must check the appropriate box on their secondary/supplemental application to indicate they are applying to the GI Program. This Agreement guarantees an interview for

admission to OSU-CHS College of Osteopathic Medicine to students from CU who meet the listed requirements. This Agreement does not guarantee qualifying students from CU admission to the OSU-CHS College of Osteopathic Medicine.

Following an in-person interview, a member of the Admissions Committee and the Assistant Director of Admissions will notify applicants of the Admissions Committee's decision by May 1, 2025. The applicant will either be granted admission or will be invited to apply as a traditional applicant for admission in a later application cycle. Applicants may apply during their final year or within six months following graduation. Applicants may only qualify for the GI Program for one application cycle.

OSU-CHS and CU reserve the right to review the Agreement periodically and recommend changes as deemed necessary. If OSU-CHS makes recommendations, CU will have thirty (30) days to accept or reject the proposed changes. The Agreement will be reviewed annually for any updates on the approved major and academic requirements for approval. Agreed-upon modifications will become effective for the incoming undergraduate class.

For the current application cycle, CU may adjust academic plans on a case-by-case basis with the mutual agreement of both parties, including the Associate Dean for Enrollment Management at OSU-CHS and the Agriculture, Biology, and Health Sciences Chair at CU.

Either program may terminate the Agreement with thirty (30) days' notice.

OSU-CHS and CU understand and agree that CU or OSU-CHS shall have the right to terminate the Agreement, whole part but not in part, without penalty or expense at the end of any fiscal year if CU or OSU-CHS or the Legislature of the State of Oklahoma or other appropriate governmental entity fails to allocate sufficient funds to CU or OSU-CHS, respectively, for payments required or activities contemplated under this Agreement. OSU-CHS and CU understand and agree that nothing contained herein shall be construed as a waiver of either party's sovereign immunity.

Attachment 1

Additional Guaranteed Interview Program Requirements for Cameron University Students

- Provide two letters of recommendation from faculty (preferably one science and one non-science faculty).

Cameron University Academic Requirements for the GI Program

- ENGL 1113 English Composition I
- ENGL 1213 English Composition II
- BIOL 1364 Principles of Biology I (with BIOL 1364L lab)

- BIOL 1474 Principles of Biology II (with BIOL 1474L lab)
- BIOL 2124 Microbiology (with BIOL 2124L lab)
- BIOL 2034 Human Anatomy (with BIOL 2034L lab)
- CHEM 1364 General Chemistry I
- CHEM 1361 General Chemistry I Lab
- CHEM 1474 General Chemistry II
- CHEM 1471 General Chemistry II Lab
- CHEM 3314 Organic Chemistry I (with CHEM 3314L lab)
- CHEM 3324 Organic Chemistry II (with CHEM 3324L lab)
- CHEM 4403 Biochemistry I
- PHYS 1115 Physics I (with PHYS 1115L lab) or PHYS 2015 Physics I for Science and Engineering Majors (with PHYS 2015L lab)
- PHYS 1215 Physics II (with PHYS 1215L lab) or PHYS 2025 Physics II for Science and Engineering Majors (with PHYS 2025L lab)

By graduation, the student must meet all academic requirements for the undergraduate degree outlined in the CU Academic Catalog.
