WHAT IS IT?

The Staff Advisory Council (SAC) is comprised of OSU staff who have been elected by their peers. The SAC mission is to represent the interests of staff members by providing networking opportunities, continuing education scholarships and so much more!

WHY JOIN?

Do you like meeting fun people? This is the place to be! You get to meet people across campuses, hear the latest campus news and give back to fellow staff members by raising funds for continuing education scholarships.

WHAT'S EXPECTED OF ME?

SAC asks that you attend monthly meetings from Noon to 1:00 p.m. via Zoom or in-person so, feel free to bring your lunch and a beverage to the meeting! In addition to attending meetings, SAC members serve on at least one committee.
